### Early collections & late arrivals

There has been a worrying increase in the number of children either dropped to school late or collected early in recent weeks. This time missed from school does add up and can negatively impact your child's progress at school. We are recording all late arrivals and early collections in order to keep track of time-keeping.

### School Uniform

We have decided to make a change to our Uniform Policy here at St. Martin de Porres. While we all love the original uniform, we have decided that, for practical reasons, we will consider the school tracksuit (navy school tracksuit with white polo shirt) our official uniform from September 2020 on. The tracksuit can be purchased at the school. Tracksuit order forms for the new school year will be issued towards the end of next month and orders must be received before May 28<sup>th</sup>. Any orders received after May 28<sup>th</sup> may not be delivered until October.

### Contact Information

If any of your contact information has changed in recent months, (phone number, address etc.) or if you have not received any text messages from the school since September, please be sure to inform the school as soon as possible.
